

Downloading the FirstClass Client to your computer:

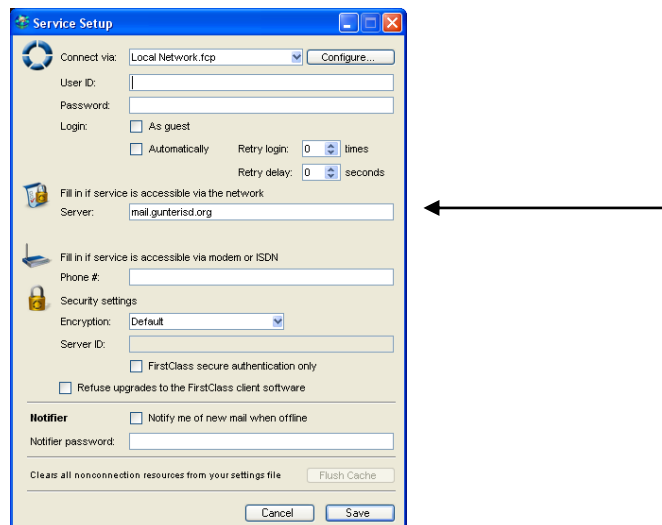

1. Click on the appropriate link for the type of computer you are using (PC or MAC) and choose "Run".
2. Install the software using all of the defaults. (Just click yes or next until you are done.)

Once the software is installed, you will have FirstClass icon on your desktop. You must set up the software to see our server. Follow the steps below:

1. Double click the icon to open the login screen.

2. In the box that says "Server" type "mail.gunterisd.org" and then click "Save".

3. You should now be able to use your email login and password to connect to your mail.
