The Region 10 Education Service Center is offering two parent workshops this fall. Both workshops are focused toward empowering parents to help their children succeed in school. This fall, Region 10 ESC and Grayson County College have partnered together in hosting our parent workshops and college information sessions for parents and their children in grades 6th-12th. Each workshop will include valuable tips on homework assistance, communication techniques with teachers, and an interactive college tour.

Notes

- Childcare for Kinder -4th grades
- Light refreshments will be provided
- Preregistration is required
- Seating is limited to only 25 families

Registration Link: www.region10.org, select “Events At A Glance”
