Dear Senior Parent or Guardian:

The yearbook staff is excited about putting together the yearbook this year and needs your help. It has been a tradition at Gunter High School to place a baby picture of each senior with a message from you, the parent or guardian. Due to the fact that it takes quite a while to layout the pages and type all of the messages, we are asking you to please send a baby picture of your child and your message by **October 1st.**

Please use the form below to write your message. There is a limit of 60 words, please count them because we will be forced to make adjustments if your message won't fit in the allotted area of the yearbook.

Sincerely,

Monica Glennon, Yearbook Advisor

(Please write your message legibly in the box below, or you may type your message and attach it.)

Please attach a baby picture of the student to this paper either by paper clipping or stapling. It would also be helpful if you would write the name of the student on the back of the picture. This will insure the safety and return of your picture. We will give the picture to the student to take back home. If you would rather we mail it back to you, please enclose a self addressed stamped envelope large enough for the picture.
