

# Gunter Independent School District

## District of Innovation Plan

*Approved by the District of Innovation Committee, October 13, 2016*

*Approved by the District Advisory Council, October 24, 2016*

*Presented to the GISD Board of Trustees, October 24, 2016*

*Final Board Approval to be determined on December 12, 2016*

## District of Innovation Overview

---

The District of Innovation concept, passed by the 84<sup>th</sup> Legislative Session in House Bill 1842, gives traditional independent school districts most of the flexibilities available to Texas' open-enrollment charter schools.

Potential benefits of becoming a District of Innovation include:

- **Local control:** Districts decide which flexibilities best suit their local needs.
- **Customization:** Districts can create an innovation plan for a level of school (e.g., only high schools), grade level, or a single campus.
- **Autonomy:** Districts must submit a district of innovation plan to the commissioner of education, but approval is not required.
- **Flexibility:** Districts will have the flexibility to implement practices similar to charter schools, including exemptions from mandates such as:
  - School start date
  - 90% attendance rule
  - Class-size ratios
  - Site-based decision-making processes
  - Certain student discipline provisions
  - Use of planning and preparation periods
  - Teacher appraisal requirements

The Gunter Independent School District feels that this level of local control would add flexibility and empower our district to think and act in innovative ways.

*The Gunter Independent School District will empower every student to attain an exceptional education that challenges them to exceed their own expectations and provides a foundation for success in life.*

## District of Innovation Timeline

---

### **Tuesday, August 30, 2016**

Initial meeting with administrative staff to discuss preliminary thoughts and discuss possible members of the District of Innovation Team.

### **Monday, September 19, 2016**

5:45pm, Special Board Meeting

- Board of Trustees approve resolution to hold a public hearing to discuss the possibility of using HB 1842 to become a District of Innovation

5:50pm, Public Hearing

- Public hearing to explain and discuss the possibility of becoming a District of Innovation.

6:00pm, Regular Meeting

- Approve a motion to pursue local "District of Innovation" plan.
- Board of Trustees approve the members of the District of Innovation Committee.

### **Thursday, September 29, 2016 – 4pm at Coop Library**

Initial meeting of the District of Innovation Committee

### **Monday, October 10, 2016 – 9:30am at GHS Commons**

District Faculty Meeting – gather feedback about proposed recommendations

### **Thursday, October 13, 2016 – 4pm at Coop Library**

2<sup>nd</sup> meeting of the District of innovation Committee

### **Monday, October 24, 2016 – Present District of Innovation Plan to the School Board**

District of Innovation Committee Final Approval

Post the District of Innovation Plan on the district website for 30 days

Notify Commissioner of Education of the board's intention to vote on adoption of proposed plan

### **Monday, December 12, 2016, Regular Board Meeting**

Approve the District of Innovation plan

### **Tuesday, December 13, 2016:** Update all policy changes with TASB

## Resolution to Adopt a District of Innovation

WHEREAS Education Code 12A.001 provides that a district is eligible for designation as a district of innovation if the district's most recent performance rating under Section 39.054 reflects at least acceptable performance, and that consideration of designation as a district of innovation may be initiated by a resolution adopted by the board of trustees of the district; and

WHEREAS the Gunter Independent School District's most recent performance rating under Education Code 39.054 reflects at least acceptable performance.

NOW THEREFORE BE IT RESOLVED that the Board of Trustees of Gunter Independent School District by adoption of this resolution initiates the process under Education Code Chapter 12A to become a district of innovation.

BE IT FURTHER RESOLVED that after this resolution is signed by the Board, a public hearing shall be held to consider whether the District should develop a local innovation plan for the designation of the District as a district of innovation and that after the public hearing the Board of Trustees of Gunter Independent School District shall appoint a committee to develop a local innovation plan or decline to pursue designation as a district of innovation.

Adopted this 19<sup>th</sup> day of September, 2016, by the Board of Trustees.

  
\_\_\_\_\_  
Presiding Officer

  
\_\_\_\_\_  
Secretary

## District of Innovation Committee Members

Name	Campus	Position / Role
Jill Siler	GISD	Superintendent
Kelly Teems	GISD	Assistant Superintendent
Chris Dodd	GHS	Principal
Kim Patterson	GMS	Principal
Dara Arrington	GES	Principal
Heather Hale	GES/GMS	Assistant Principal
Shelli Neely	GISD	Technology Director
Jacob Waggoner	GHS	Counselor
Jessica Seay	GES	ESL Coordinator
Shannon Parker	GES	Teacher
Tina Smith	GES	Teacher
Kari Bailey	GMS	Teacher
Debbie Murphy	GMS	Teacher
Tom Bremer	GHS	Teacher
Leslie Hindman	GHS	Teacher
Shelli Hales	Community	Parent
Angela Magers	Community	Parent
Darrin Bruner	Community	Parent
Laci Bracewell	Community	Parent
Candy Leonard	School Board	GISD Board Secretary

## District of Innovation Plan – Proposed Guidelines

---

### First Day of Instruction

#### TEC Code Requiring Exemption:

TEC 25.0811: A school district may not begin instruction for students for a school year before the fourth Monday in August.

#### Benefit of Exemption for GISD:

- District Advisory Committee will have the flexibility to start school one week early, the third Monday in August or a mid-week start sometime that week.
- Starting one week earlier will better balance the two semesters with a natural Winter Break, set exams prior to Winter Break, and create more instructional time before STAAR/EOC/AP exams.
- The balanced semesters will align with college semesters as well, allowing more opportunities for summer school, internships, and industrial certification opportunities.

#### Local Guidelines:

- The District Improvement Committee will receive parent and staff input, then decide, subject to School Board approval, the school start date.

### Teacher Certification

#### TEC Code Requiring Exemption:

TEC 21.003 requires that a person may not be employed as a teacher by a district unless the person holds an appropriate certification or permit issued by the appropriate state agency.

#### Benefit of Exemption for GISD:

- The statutory certification requirements inhibit the District's ability to hire professionals with industry experience to teach Career and Technical Education (CTE), STEM Courses and non-core electives.
- Local Qualifications will allow the district to :
  - Allow experienced teachers to pick up an elective in an area they are qualified
  - Hire community college instructors
  - Offer dual credit opportunities in CTE courses
  - Recruit teachers from the field, including individuals from certain trades and/or vocations with industry knowledge and real world experience

#### Local Guidelines:

- The District will establish Local Criteria, such as years of experience, qualifications, and industry certifications, to qualify for a local (district) teaching certificate.

## Gunter Independent School District

- Principals, along with the department supervisor, will submit candidates to the Superintendent with credentials. The Superintendent will determine whether it is in the best interest of the district to certify the individual. The Superintendent will notify the Board prior to beginning employment.
- At the present time, GISD would focus on elective courses including CTE courses. However, in the future, the district may choose to exercise this option in other courses. Our local board of trustees would be able to issue the school district teaching permit for an individual teaching these courses based on qualifications certified by the superintendent. The individual qualifications would include demonstrated subject matter expertise, such as
  - Professional work experience
  - Formal training and education
  - Relevant industry license, certification, or registration
  - Any combination of work experience, training and education or industry credential related to the subject matter he or she will be teaching.

All candidates would be carefully considered to ensure the individual has sufficient education and expertise to provide instruction necessary to meet the Texas Essential Knowledge and Skills (TEKS) for the course(s) to be taught.

Before issuing a school district teaching permit to an individual, the district would ensure that the individual completed the criminal background check in compliance with the State Board of Education (SBEC) rules. In addition, the individual would be required to obtain a set number of hours in classroom management training and work with a mentor teacher the first year of employment. The individual would be employed on an at-will basis with the district.

### Teacher Contract Days

#### TEC Code Requiring Exemption:

Current education law in Chapter 21 defines a teacher contract as a 10 month contract equivalent to 187 days.

#### Benefits of Exemption for GISD:

Proposal would reduce teacher contract days from 187 to a decreased length with no effect on teacher salaries. This would be an attempt to better align the teacher days to the 75,600 minutes required of students.

- Will increase the daily rate the district pays teachers
- Enhance teacher recruitment
- Improve teacher morale

#### Local Guidelines for Teacher Contract Days:

- GISD will present a recommendation to the GISD School Board regarding the number of contract days as a part of the total compensation and benefits program.

**This District of Innovation Plan is valid for five years from the date it is approved by the Board.**
